

Biohazard body fluid spills can happen anytime, anywhere and in any industry. Clean-up response needs to happen fast and safely. It may be an unpleasant process however, no one can afford the risk of viruses, bacteria or disease spreading or risk receiving an infection.

BioSmart Multi-Use Biohazard Spill Kits have been designed for the safe clean-up and removal of urine, vomit, blood, saliva and faeces. The spill kit contains premium quality components contained in a heavy duty PVC bag offering multiple applications or for locations with larger spills. The kit provides Clear Directions, Personal Protective equipment, pH Neutral Detergent, Absorbent Cloths, Clinical Waste Bags, Disinfectant Wipes together with two 500g Jars of BioSmart Premium Absorbent containing Zeolite for a thorough clean up.

This BioSmart Biohazard Spill Kit is not just a 'Multi-Use' kit but a 'Multi-Purpose' kit also. Use BioSmart Premium Absorbent powder to clean up other messy spills including cooking oils, food spills, detergents, and chemicals. Highly

recommended for higher risk locations such as hotels and bars, child care and education campuses, the tourism industry, supermarkets, shopping malls, food courts and medical facilities.
